This paper was published online on 15 November 2016 with an omission in Eqs. (6) and (7). Equation (6) should read as

$$\frac{dw}{d\theta} = 2\pi \sin \theta \sum_j \sum_{m=-l}^l \frac{2j+1}{2l+1} \int_0^\infty \frac{dw_{lm}^{(j)}}{d^3\mathbf{p}} \sqrt{2E_e} dE_e,$$

Eq. (7) should read as

$$\frac{dw}{dE_e} = 2\pi \sqrt{2E_e} \sum_j \sum_{m=-l}^l \frac{2j+1}{2l+1} \int_0^\pi \frac{dw_{lm}^{(j)}}{d^3\mathbf{p}} \sin \theta d\theta.$$

The equations have been corrected as of 20 December 2016. The equations are incorrect in the printed version of the journal.
