This paper was published online on 27 July 2017 with typographical errors on page 6 and 9. On page 6, the right-hand column, the seventh line of the third paragraph should read as “which can generate output of NOON-state photons, NOON-state . . .” On page 9, left-hand column, the fifth line of the second paragraph should read as “parameters so that the NOON-state generating state “NOON-GE” . . .” The paper has been corrected as of 2 August 2017. The text is correct in the printed version of the journal.
