**Erratum: Quasimonoenergetic laser plasma positron accelerator using
particle-shower plasma-wave interactions
[Phys. Rev. Accel. Beams **21**, 081301 (2018)]**

Aakash A. Sahai ^{*}

(Received 18 March 2021; published 30 April 2021)

DOI: [10.1103/PhysRevAccelBeams.24.049902](https://doi.org/10.1103/PhysRevAccelBeams.24.049902)

The work was partly carried out while the author was at Imperial College London funded by the United Kingdom STFC and EPSRC. The experimental plan for the scheme set out in Fig. 1 was influenced by discussion with the plasma physics groups at Imperial College and Queens University, Belfast.
