Errors were found in Eq. (16) and its introductory phrase, which should read as follows:
The magnitude of the relative size error $d\sigma_y/\sigma_y$ can be obtained from Eq. (15) as

$$\frac{d\sigma_y}{\sigma_y} = \frac{|dV|}{2V \ln \frac{1}{V}}. \quad (16)$$

These errors do not affect any of the results and conclusion of the paper.
