This paper was published online on 8 June 2015 with errors in Eq. (8). Equation (8) should read as

$$\sum_{\sigma} f_{\sigma}^{\dagger} f_{\sigma} = \sum_{\mu} p_{\mu}^{\dagger} p_{\mu} + 2d^{\dagger} d$$

The equation has been corrected as of 23 June 2015. The equation is correct in the printed version of the journal.
