This paper was published online on 11 August 2015 with an error in an inline equation on page 3. On page 3, left-hand column, the third line under Eq. (3) should read as “ $\{H_{11}, H_{33}\} = \{K_e, K_s\}$, and $p_1 = p_2 = \frac{b}{2}$, $q_1 = -q_2 = \frac{\sqrt{3}b}{6}$.” The paper has been corrected as of 29 October 2015. The text is incorrect in the printed version of the journal.
