The original paper contains a typographical error in Eq. (6). The derivative sign (prime) on the Hankel function in the first term of the denominator is missing. The correct form of Eq. (6) is

$$D_m = \frac{\mu_0 k_s J'_m(k_s r_s) J_m(k_0 r_s) - \mu_s k_0 J_m(k_s r_s) J'_m(k_0 r_s)}{\mu_s k_0 J_m(k_s r_s) H_m^{(1)}(k_0 r_s) - \mu_0 k_s J'_m(k_s r_s) H_m^{(1)}(k_0 r_s)}.$$

This error does not affect any results in the paper.
