DOI: [10.1103/PhysRevB.96.099903](https://doi.org/10.1103/PhysRevB.96.099903)

The optical spin-Seebeck coefficient (i.e., TSSE_{PM} and TSSE_{LM}) in Table I has a misprinted unit and should read: $\text{nrad K}^{-1} \text{mm}^{-1}$.

This Erratum does not affect the experimental results, discussion, and conclusion of the original paper.
