This paper was published online on 31 March 2016 with an error in Eq. (5). Equation (5) should read as

$$\frac{d}{dr} \left(r^4 j \frac{df}{dr} \right) + 4r^3 \frac{dj}{dr} f = 0.$$

The equation has been corrected as of 13 April 2016. The equation is incorrect in the printed version of the journal.
