This paper was published online on 22 February 2016 with a typographical error in the text on page 6, and in Table II. On page 6, the second line under Sec. VI should read as “data into 4 bins of measured q^2 : $[0.04, 4.3]$, $[4.3, 7.3(8.1)]$, ...” The first entry in the second column of Table II should read as “[0.04, 4.3].” The paper has been corrected as of 9 March 2016. The text and table are incorrect in the printed version of the journal.
