**Erratum: Damped and zero-damped quasinormal
modes of charged, nearly extremal black holes
[Phys. Rev. D **93**, 044033 (2016)]**

DOI: [10.1103/PhysRevD.93.089905](https://doi.org/10.1103/PhysRevD.93.089905)

In the original paper, footnotes 2 and 3 incorrectly describe the claims of Refs. [1,2], respectively. Those papers in fact state that their analytic formulas deal only with the scalar and neutrino modes of Kerr-Newman black holes. The error was due to our misunderstanding of the papers' claims, and the footnotes should be removed entirely. These issues do not impact the other results or conclusions of our paper.
