This paper was published online on 18 February 2016 with an error in Eq. (12). Equation (12) should read as

$$\langle E \times R \rangle_{1 \text{ EeV}}^{\max} = 1.52 \text{ mV/MHz} \approx 2400 \langle E \times R \rangle_{100 \text{ TeV}}^{\max}.$$

The equation has been corrected as of 5 August 2016. The equation is incorrect in the printed version of the journal.
