This paper was published online on 9 September 2016 with an error in the references. Reference [141] was combined with Ref. [142]; therefore Ref. [141] should read as “S. Khatibi and M M. Najafabadi, Phys. Rev. D **90**, 074014 (2014)” and Ref. [142] should read as “LHCb Collaboration, CERN Reports No. CERN- LHCC-2011-001 and No. LHCC-I-018 2011; CERN Reports No. CERN-LHCC-2012-007 and No. LHCb- TDR-12 2012.” All subsequent references have been renumbered. Additionally, on page 20, right-hand column, Sec. IV D, first paragraph, the end of the second line should read “luminosity [142]” and the second paragraph, fourth line should read “by CMS [143] and 4% with 50 fb^{-1} by LHCb [142].” The references and text have been corrected as of 19 September 2016. The references and text are correct in the printed version of the journal.
