DOI: [10.1103/PhysRevD.99.059904](https://doi.org/10.1103/PhysRevD.99.059904)

Equation (C7) in the Appendix should read

$$d_1 = (4\pi)^{-4} (N - N^{-1}) \left(\frac{203}{12} N - \frac{3}{4} N^{-1} - \frac{5}{3} N_f \right). \quad (\text{C7})$$

The wrong expression is not used in our numerical simulations and any results are not affected by this typo.
