(Received 8 April 2019; published 14 October 2019)

DOI: [10.1103/PhysRevE.100.049902](https://doi.org/10.1103/PhysRevE.100.049902)

Equation (6) should read $\widehat{F}_{i-1} < \nu(1 - \widehat{F}_{i_{\text{rej}}}) + \widehat{F}_{i_{\text{rej}}} \leq \widehat{F}_i$ instead of $\widehat{F}_{i-1} < \nu(1 - \widehat{F}_{i_{\text{rej}}}) \leq \widehat{F}_i$. This change only impacts line 4 of the paragraph following Eq. (6): “until $\nu(1 - \widehat{F}_{i_{\text{rej}}}) + \widehat{F}_{i_{\text{rej}}} > \widehat{F}_N$ ” instead of “until $\nu(1 - \widehat{F}_{i_{\text{rej}}}) > \widehat{F}_N$.”

The word “decreasingly” at line 23 first column p. 3 should be changed into “increasingly.” The order is $\hat{p}_1 \leq \hat{p}_2 \leq \dots \leq \hat{p}_N$, increasing in $\hat{p}_i$ and decreasing in corresponding energy changes.

We thank Dr. S. Humeniuk for bringing our attention to Eq. (6).
