This paper was published online on 8 September 2015 with typographical errors in the plots of Figs. 2(b) and 2(c) and also in Eq. (5). Equation (5) should read as

$$F_{\text{ex}}(\theta) = 0.83 P_0 l_p \cot(\theta/2).$$

The figure plots have been replaced and the equation has been corrected as of 1 October 2015. The plots and equation are correct in the printed version of the journal.
