This paper was published online on 21 January 2016 with typographical errors in Eqs. (29) and (32). Equation (29) should read as

$$\mathbf{M}_n = \begin{pmatrix} 1 & -K \cos(2\pi q_n) \\ 1 & 1 - K \cos(2\pi q_n) \end{pmatrix}$$

Equation (32) should read as

$$\begin{aligned} \mathcal{P}_{n+1} &= \mathcal{P}_n - \frac{K}{2\pi} \sin(2\pi \mathcal{Q}_n) \\ \mathcal{Q}_{n+1} &= \mathcal{Q}_n + \mathcal{P}_{n+1} \\ \mathbf{M}_n &= \begin{pmatrix} 1 & -K \cos(2\pi \mathcal{Q}_n) \\ 1 & 1 - K \cos(2\pi \mathcal{Q}_n) \end{pmatrix} \\ S(\mathcal{Q}_t, \mathcal{Q}_0) &= \sum_{n=0}^{t-1} S(\mathcal{Q}_{n+1}, \mathcal{Q}_n) \\ S(\mathcal{Q}_{n+1}, \mathcal{Q}_n) &= \frac{(\mathcal{Q}_{n+1} - \mathcal{Q}_n)^2}{2} + \frac{K}{4\pi^2} \cos(2\pi \mathcal{Q}_n) \end{aligned}$$

The equations have been corrected as of 28 October 2016. The equations are incorrect in the printed version of the journal.
