This paper was published online on 8 February 2017 with errors in Eqs. (4) and (5) and text on page 2. Equation (4) should read as

$$\dot{p}_i = -\frac{\epsilon}{2}(2M_x \sin \theta_i + M_y \cos \theta_i)$$

Equation (5) should read as

$$V = -N\frac{\epsilon}{2}(2M_x^2 - M_y^2 + \Delta),$$

The text following Eq. (5) on page 2 should read as “where $\Delta = \sum_{i,j} \Delta'_{i,j}$ with $\Delta'_{i,j} = \Delta_{i,j}/N^2 \dots$ ” The paper has been corrected as of 29 March 2017. The equations and text are incorrect in the printed version of the journal.
