This paper was published online on 4 December 2017 with a typographical error in the equation following Eq. (15). On page 3, the equation in the right-hand column following Eq. (15) should read as

$$p_{\text{PG}}(\omega_i^n | b, c) = \frac{\exp\left(-\frac{c^2}{2} \omega_i^n\right) p_{\text{PG}}(\omega_i^n | b, 0)}{\cosh^{-b}\left(\frac{c}{2}\right)},$$

The equation has been corrected as of 27 December 2017. The equation is correct in the printed version of the journal.
