This paper was published online on 25 September 2015 with errors in a few equations. On page 7, left hand column, the first terms in large square brackets,

$$\left[\frac{1}{2} \left(\frac{2\pi^{d/2}}{\Gamma(\frac{d}{2})} \right) \frac{d-1}{d} \right]$$

should be replaced by

$$\left[\left(\frac{2^{-d}\pi^{-d/2}}{\Gamma(\frac{d}{2})} \right) \frac{d-1}{d} \right]$$

The equations have been corrected as of 24 April 2018. The equations are incorrect in the printed version of the journal.
