This Letter was published online on 23 November 2016 with an error in Eq. (4). Equation (4) should read as

$$\lim_{\eta \rightarrow 0} i\eta \mathbf{G}_n(\lambda_{\text{isol}} - i\eta) = |r_{\text{isol}}\rangle \langle l_{\text{isol}}| + \mathcal{O}(\eta). \quad (4)$$

The equation has been corrected as of 16 December 2016. The equation is incorrect in the printed version of the journal.
