This Letter was published online on 20 July 2016 with an omission of a factor in Eqs. 6(a) and 6(b). Equation 6(a) should read as

$$\sigma_{xy}^X = \frac{1}{2\pi} \frac{1}{(m\tau)^2} \int d^2r \text{Tr}[J_r^x G_{-r}^R J_r^y G_{-r}^A],$$

and Eq. 6(b) should read as

$$\sigma_{xy}^\Psi = \frac{1}{\pi} \frac{1}{(m\tau)^2} \text{Re} \int d^2r \text{Tr}[J_r^x G_{-r}^R G_r^R J_{-r}^y].$$

The equations have been corrected as of 19 June 2020. The equations are incorrect in the printed version of the journal.
