ERRATUM

DYNAMIC RESPONSE OF INHOMOGENEOUS FERMION SYSTEMS. Sudip Chakravarty, Martin B. Fogel, and Walter Kohn [*Phys. Rev. Lett.* **43**, 775 (1979)].

When ω/q is near the local velocity of zero sound, the conditions (II) and (III) on page 775 require modification. This does not, however, affect our subsequent developments.

On page 778, the fourth line after Eq. (23) should be struck out, and the sentence should thus end on the third line.
