An error appears in Eq. 8. It should read

$$\sigma_{xx} = \frac{e^2}{4\pi\hbar} \sum_{\mu} \tau_{\mu}^{\parallel} v_{F,\mu} k_{\mu}, \quad \sigma_{xy}^{\text{skew}} = \frac{e^2}{4\pi\hbar} \sum_{\mu} \frac{(\tau_{\mu}^{\parallel})^2}{\tau_{\mu}^{\perp}} v_{F,\mu} k_{\mu}. \quad (8)$$
