**Erratum: Electronic fitness function for screening semiconductors as thermoelectric materials
[Phys. Rev. Materials 1, 065405 (2017)]**

Guangzong Xing, Jifeng Sun, Yuwei Li, Xiaofeng Fan, Weitao Zheng, and David J. Singh
(Received 11 December 2017; published 26 December 2017)

DOI: [10.1103/PhysRevMaterials.1.079901](https://doi.org/10.1103/PhysRevMaterials.1.079901)

The electronic fitness function was not given in the stated *Système International* units. The values should be multiplied by 4.485×10^{-32} to obtain the stated units. The discussion, conclusions, and rankings of the materials are unchanged.
