After the publication, some typos were found in Figs. 1, 2, and 3 (not in the captions). The current and the magnetic field directions should be corrected as follows.

FIG 1. “ $i_{dc} \parallel b$ axis” → “ $i_{dc} \parallel c$ axis” FIG 2. “ $i_{dc} \parallel b$ axis” → “ $i_{dc} \parallel c$ axis” FIG 3. “ $H_0 \sim 30$ Oe $\parallel b$ axis” → “ $H_0 \sim 30$ Oe $\parallel c$ axis”

These errors do not affect any results of the Letter.

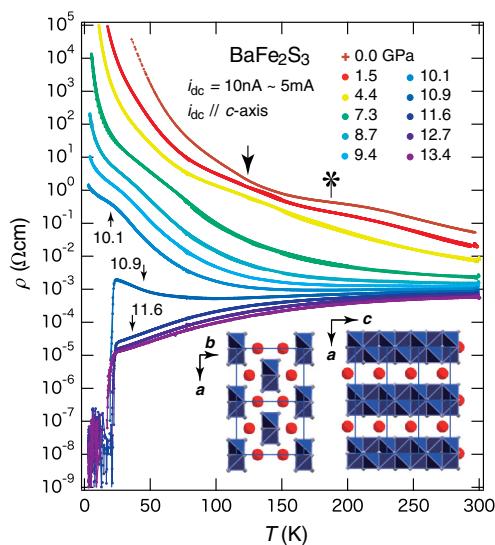

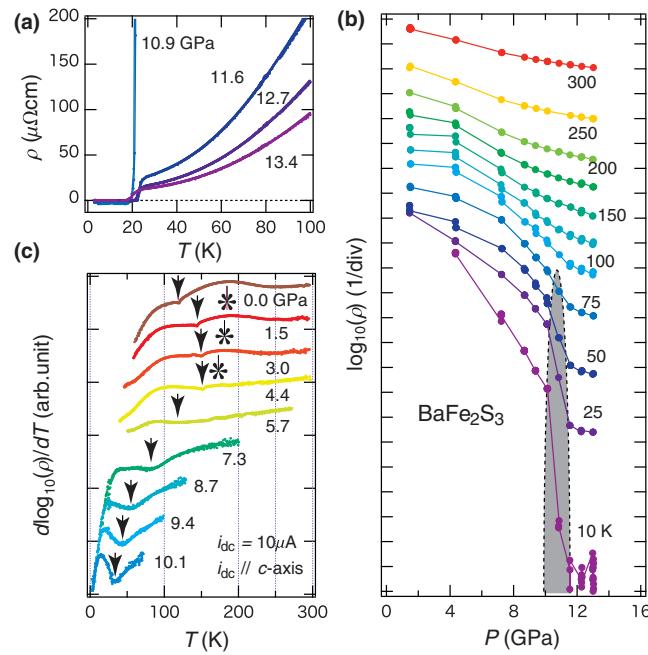

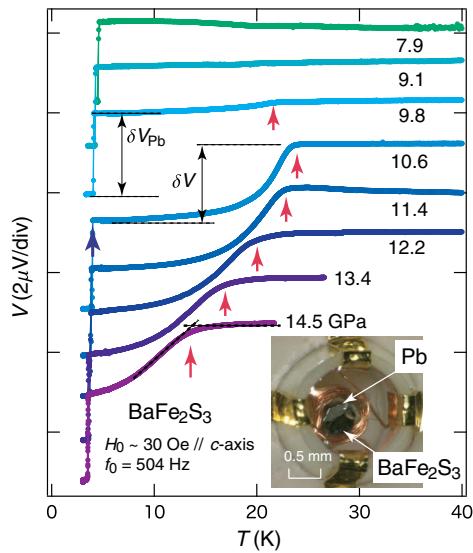

FIG. 1. “ $i_{dc} \parallel b$ axis” → “ $i_{dc} \parallel c$ axis”.

FIG. 2. “ $i_{\text{dc}} \parallel b$ axis” → “ $i_{\text{dc}} \parallel c$ axis”.FIG. 3. “ $H_0 \sim 30 \text{ Oe} \parallel b$ axis” → “ $H_0 \sim 30 \text{ Oe} \parallel c$ axis”.
