This paper was published online on 5 January 2017 with a minor error in the inline equation following Eq. (9) on page 3. On page 3, the inline equation in the right-hand column following Eq. (9) should read as "$G_s(X) = (m_0 s/k_B T)\mathcal{L}[\langle \phi(0,t)\phi(X,t)\rangle](s)$." The inline equation has been corrected as of 19 December 2018. The inline equation is incorrect in the printed version of the journal.
